

2023 Wreaths Across America Project

OCONEE HILL CEMETERY, ATHENS, GEORGIA

Oconee Hill Cemetery is participating in the "Wreaths Across America" project, where wreaths will be placed on the graves of our American Veterans. We strongly support this mission and would like to request your support to recognize our American heroes. The goal is to place a wreath on the grave of every Veteran, one grave at a time.

Volunteers will be placing wreaths on gravesites Saturday, December 16.

Please consider sponsoring wreaths to honor your ancestors, family members, and friends, or simply to honor an American Veteran. Sponsorship of each beautiful live, evergreen wreath, adorned with a red velvet bow, is **\$17 per wreath**. The purchase deadline is **Thursday, November 30**. Please join us in this annual remembrance of our Veterans. Thank you.
