Since our organization's founding in 1999, the members of the Friends of Oconee Hill Cemetery have made significant contributions to the preservation and enhancement of one of our community's greatest treasures, the beautiful and historically significant Oconee Hill Cemetery established in Athens in 1856.

Your membership contributions, along with private donations and grant awards, are the primary sources of funding for our many successful projects, including renovation of the Sexton's House for public and private use, restoration of the c1899 steel bridge over the Oconee River, reforestation of historic landscapes damaged by time and weather, and construction of the Wingfield Chapel at the top of a tranquil wooded knoll on the east side of the river.

We have many other projects in development and we hope you will help us by renewing your valued membership or by joining the Friends as a new member. The greatest benefit of membership is the satisfaction and pride that comes with supporting this nonprofit organization dedicated to the care and well-being of an Athens treasure that bridges the gap between our town's extraordinary past and its vibrant future.

To join or renew, please use one of the two options below. We are grateful for your support!
